26	Correct dropdowns on register section	27
27	Enable description text for images on images upload	28
28	Add a “show all images” link on supply/demand details page	30
29	Image height on supply/demand details page	33
30	Cpv codes on demand details page	34
31	Some sort of bug when adding location	35
32	Display images much bigger	37
33	Change icons and remove file ending on files pages	38
34	Activate search on goods, services and supply and demand objects	38
35	Enable to filter on top level also	40
36	Update admin support page	41
37	Hide filter option	43
38	Subscription page	43
39	Debug register page	45

1 Update public profile page with new design

The screenshot shows a modern, clean design for a company profile page. At the top, there's a navigation bar with a search bar, a menu icon, and several icons for account management (including a notification bell with a '5' and a message icon). On the right, a user profile for 'Anna Adams Founder' is displayed.

The main header features the 'Volvo Group Ltd' logo, the industry 'Vehicles industry', and the location 'Gothenburg, Sweden'. Below the header, a navigation menu includes 'Overview' (which is selected), 'Supply', 'Demand', 'Location', and 'Agent'.

The 'Info' section contains the following details:

Website	www.company.com
Phone	+1 987 6543
Contact	Send message
Main location :	California, United States
Joining Date	24 Nov 2021

The 'About' section provides a detailed description of the company: 'This is Volvo Group The Volvo Group is one of the world's leading manufacturers of trucks, buses, construction equipment and marine and industrial engines. The Group also provides complete solutions for financing and service. The Volvo Group, with its headquarters in Gothenburg, employs about 95,000 people, has production facilities in 18 countries and sells its products in more than 190 markets. The Volvo Group is a publicly-held company. Volvo shares are listed on Nasdaq Stockholm. Volvo Group Corporate Film Without the type of products and services the Volvo Group provides, the societies where many of us live would not function. Like a circulatory system, our trucks, buses, engines, construction equipment and financial services are involved in many of the functions that most of us rely on every day.'

The 'Links' section includes icons for various social media platforms: GitHub, LinkedIn, YouTube, and Pinterest.

The 'Recent Supply and Demand' section is partially visible at the bottom.

Set supply and demand as links to supply and demand list pages.

Set location and agent links to #, we will set them later.

Set profile image at top.

Set company or individual name at top.

Set organization or individual description / about text.

Set website address on left.

Set phone on left.

Set joining date on left.

Insert an contact message form below about card.

2 Update private profile page with new design

Let user update profile.

Leave settings tab empty

Let user upload cover and profile photo.

Also let user change password.

3 Update private agent page with new design

The screenshot shows a web browser window for the URL <https://www.atenity.com/private/agent>. The page has a header with links for Supply, Demand, Goods, Services, Rational, Actor, Support, About, and Account. The Account link has a red notification badge with the number 0. Below the header, there's a sidebar labeled "Agent" and a main content area. On the left, there's a logo for "ledin Bil". The main content area contains a table with columns: First Name, Last Name, Email, Phone, and Actions. The table has one entry: Stefan Andersson, test@test.com, 5345353535, with edit and delete icons in the Actions column. There are buttons for "Add Agent", "Search", and navigation links for "Previous", "1", and "Next".

First Name	Last Name	Email	Phone	Actions
Stefan	Andersson	test@test.com	5345353535	

Update agent profile:

Set agent profile image to size limitations.

Auto scroll down to card on its opening.

5 Change public goods page

Change it to be a list without images.

Make links “create” link to supply/demand create page with good preset.

(Should say “Good” above Audi A1 in pic, wrong in pic)

The screenshot shows the ATENITY website's "Goods" page. At the top, there is a navigation bar with links for Supply, Demand, Goods, Services, Rational, Actor, Support, About, Register, and Login. Below the navigation is a search bar with placeholder text "Search Supply and Demand, Goods and Service.." and a magnifying glass icon. The breadcrumb trail shows the user is at the "Public / Goods" section. On the left, there is a "Filter" sidebar with a dropdown menu set to "Vehicles". The main content area displays a table with 10 records out of 1645. The columns are labeled "Service", "Category", "Supply", and "Demand". The first two rows show "Audi A1" and "Toyota Corolla" under "Vehicles / Cars", each with a "Create" button next to the respective "Supply" and "Demand" columns.

Service	Category	Supply	Demand
Audi A1	Vehicles / Cars	Create	Create
Toyota Corolla	Vehicles / Cars	Create	Create

6 Create public services page

www.atenity.com/public/services

Create page services just as page public goods, but use table_services.

List all possible services and their categories.

Add filter on left side.

Make links “create” link to supply/demand create page with service preset.

7 Update public support page

3 sections: general support (faq), feedback contact form, about (simple text)

The screenshot shows a web browser window for the Atenity website at <https://www.atenity.com/public/support>. The interface includes a header with a search bar, a menu bar with icons for flag, star, and search, and a user profile for Anna Adame, Founder. On the left, there's a sidebar with categories like PUBLIC (Supply, Demand, Goods, Services, Support) and PRIVATE (Supply, Demand, Bid, Ask, Accept, Review, Message, Location). The main content area has a search bar and a breadcrumb trail (Home / Public / Support). A sidebar menu lists links such as About Us, Help Center, Guidelines, FAQ, and Terms Section. The main content features sections for Company, Privacy Policy, Cookies, and Safety.

Company

Atenity was founded based upon the needs of fast-growing efficient businesses. We wanted to find a solution to ever increasing marketing expenses spread out on many different solutions. So, we created a place where rational market actors can come together, for a more efficient market solution. Our vision is to enable a more efficient connection between market actors. We strive for easy business communication, optimal prices and making sure your business becomes a winner. Our services make it easier for actors to quickly find their competitive edge. Eliminate expenses on marketing research and campaigns leading nowhere. Our services are driven by you! We would therefor always love to hear from you. Please consider leaving us feedback about what you want to see us deliver next.

Privacy Policy

We know that you care how information about you is used and shared, and we appreciate your trust that we will do so carefully and sensibly. This Privacy Notice describes how Atenity.com collect and process your personal information through Atenity websites, devices, products, services, online and physical stores, and applications that reference this Privacy Notice (together "Atenity Services"). By using Atenity Services, you are consenting to the practices described in this Privacy Notice.

Cookies

What are cookies? A cookie is a small text file that a website saves on your computer or mobile device when you visit the site. It enables the website to remember your actions and preferences (such as login, language, font size and other display preferences) over a period, so you don't have to keep re-entering them whenever you come back to the site or

General Questions

② What is Lorem Ipsum?

New common language will be more simple and regular than the existing European languages. It will be as simple as occidental.

② Where does it come from?

Everyone realizes why a new common language would be desirable one could refuse to pay expensive translators.

② Where can I get some?

If several languages coalesce, the grammar of the resulting language is more simple and regular than that of the individual languages.

② Why do we use it?

Their separate existence is a myth. For science, music, sport, etc, Europe uses the same vocabulary.

② Where can I get some?

To an English person, it will seem like simplified English, as a skeptical Cambridge friend of mine told me what Occidental

8 Update private support page

The screenshot shows a web browser window for the ATENITY website at https://www.atenity.com/private/support. The page has a header with the ATENITY logo, a search bar, and navigation links for Supply, Demand, Goods, Services, Rational, Actor, Support, About, and Account. The Account link is highlighted with a red circle containing the number '0'. Below the header, a breadcrumb trail shows the user is at / Private / Support. The main content area is titled 'Support Requests' and contains a message: 'Please see our general support section before creating a support request.' A list of support requests is shown in a table:

account subject	0 replies	Wednesday, March 2, 2022
safety he	1 replies	Thursday, November 4, 2021
testing support	0 replies	Wednesday, November 3, 2021

A 'Create Support Request' button is located in the top right corner of the support requests section. On the left side, there is a sidebar for the user's account, featuring a circular profile picture with the Hedin Bil logo, and links for Supply and Demand.

Change into showing a list of tickets and let user click on them and get to a dialog page.

Keep the “please see our general support” text line on top of the ticket list page.

Make subject text into link to chat page.

Tickets

+ Create Ticket

Search for ticket details or something...

ID	Subject	Create Date	Status	Priority	Action
#VLZ13	Edit customer testimonial	29 Jan, 2012	CLOSED	LOW	...

Previous 1 2 Next

<https://themesbrand.com/velzon/html/default/apps-tickets-list.html#>

9 Add additional presentation mode for supply list objects

Like image below for supply list page.

Image	Headline
	Price and bid counter
	Location
	Description text

Ask me about this.

10 Change image upload layout

Let user set order of images and remove images.

Also add image/file description input text box to the right side of move up/down column.

Instead of remove use trash icon and instead of up down use arrows up/down.

	Remove	Move up	Move down	Dell Server

Headline *

11 Enable to block certain user

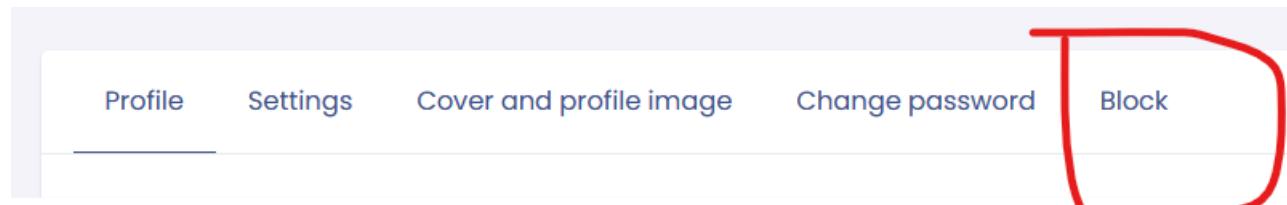

Enable to place certain user on block list. Also block certain user to place ask/bid on objects.

Create table_block (seems to be existing already)

	Column Name	Data Type	Allow Nulls
PK	ID	int	<input type="checkbox"/>
	blocking_party_ID	int	<input type="checkbox"/>
	blocked_party_ID	int	<input type="checkbox"/>
	date	datetime	<input type="checkbox"/>
			<input type="checkbox"/>

Create a function that checks against this table before creating an ask/bid or message on these tables.

Add “block” as a tab under profile.

12 Include images in copy

Also copy connection to images upon copying supply/demand objects. Seems not to be working. Also reserve price and some other things seems not to be copied.

Search:

Published	Closing	Bid	Status	Actions
2022-06-09	2022-06-23	Details (1)	Published	
2022-06-09	2022-06-23	No bids		

13 Add a column in table demand and table supply and activate filter

Add a column named public_sector and set it to bit.

Set default value to 0.

Set all current records to 0 on this column.

Activate side bar filter Sector to filter on this.

Set private to show records with public_sector = 0

Set public to show records with public_sector = 1

SECTOR

Private

Public

14 Contract start

Add "date_contract_start" and "date_contract_end" date input fields in table demand.

The screenshot shows the SSMS interface with the Object Explorer on the left and a table definition on the right.

Object Explorer:

- Connect
- SQL Server Object Explorer
- MSSQL100.e002461...dbo.table_demand
- SQLQuery1.sql - 81...61 (e002461a (119))

Table Definition:

18 Make account image larger and add account as text

```
> <div class="dropdown topbar-head-dropdown ms-1 header-item"> ... </div> flex
  <div class="dropdown ms-sm-3 header-item topbar-user"> flex
    <button id="page-header-user-dropdown" class="btn" type="button" data-bs-toggle="dropdown" aria-
      haspopup="true" aria-expanded="false">
      <span class="d-flex align-items-center"> flex
        <i class="bx bx-user-circle fs-22" style=""> ... </i>
        <span class="text-start ms-xl-2">
          <span class="d-none d-xl-inline-block ms-1 fw-medium user-name-text">ACCOUNT</span>
        </span>
      </span>
    </button>
  </div>
```

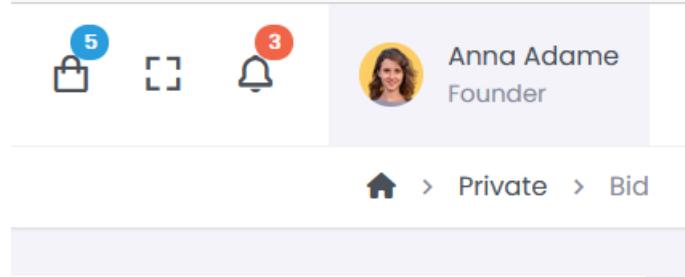

Use boxicons for this instead, to use same as other right top corner icons.

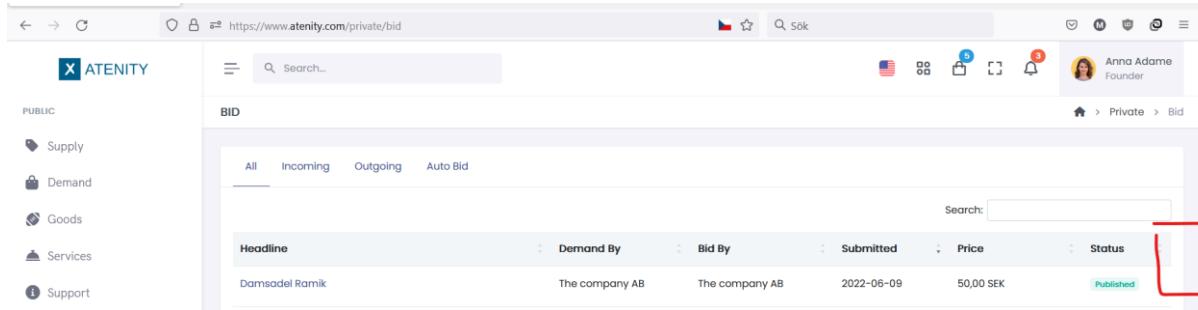

19 Add name in top corner

Add firstname lastname or organization name in top corner. Crop at 10 characters to keep name from getting too long.

Write out "Individual" or "Organization" or "Agent" where it says "founder" now.

20 Add view details column in bid/ask tables.

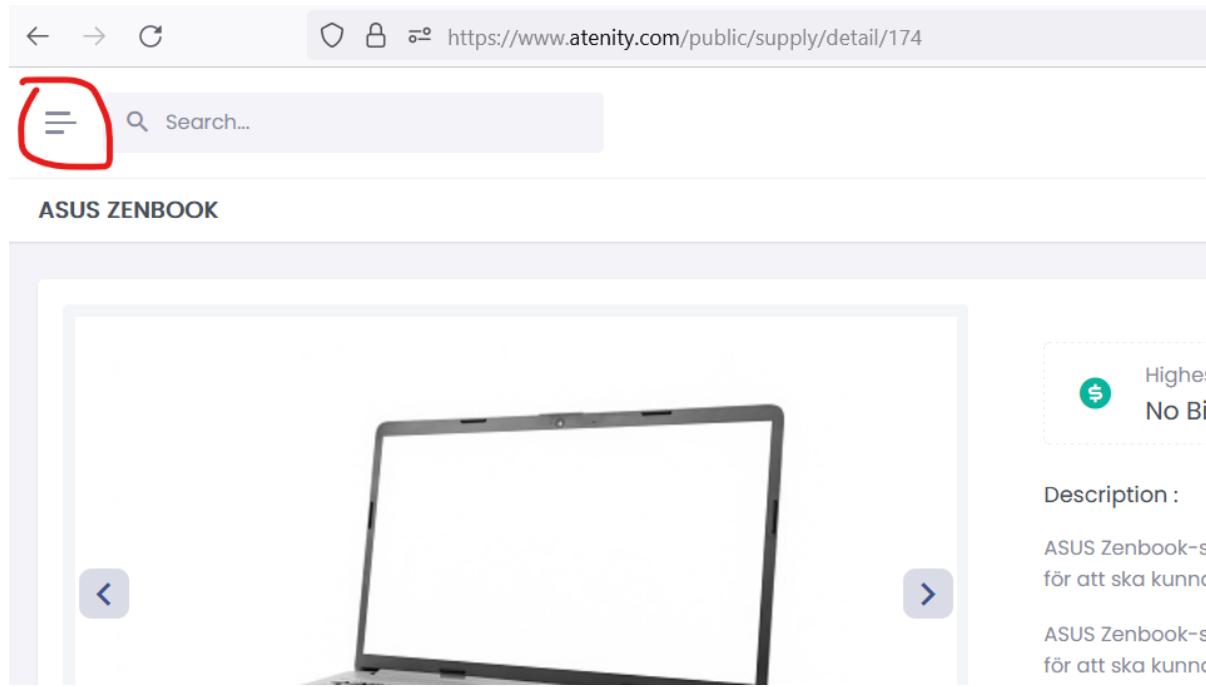

The screenshot shows a web browser window for the ATENITY platform at the URL <https://www.atenity.com/private/bid>. The page title is "BID". On the left, there's a sidebar with "PUBLIC" sections for Supply, Demand, Goods, Services, and Support. The main content area has tabs for All, Incoming, Outgoing, and Auto Bid, with "All" selected. A search bar is at the top. Below it is a table with columns: Headline, Demand By, Bid By, Submitted, Price, and Status. The first row shows "Damsadel Ramik" as the headline, "The company AB" as the demand by, "The company AB" as the bid by, "2022-06-09" as submitted, "50,00 SEK" as price, and "Published" as status. A red box highlights the "Status" column header.

			Details
			View

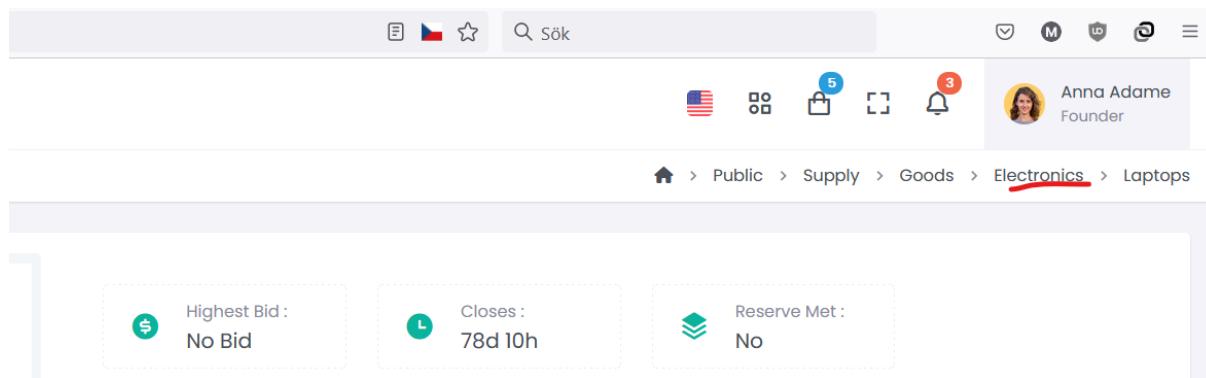

Link to bid/ask details page (private/bid/detail/[record_id])

21 Menu button does not work on supply/demand details page

It is correct that side menu should not be shown by default, but enable to show it on click.

22 Make sure breadcrumbs links works

23 Correct date on list pages

The screenshot shows the Atenity Supply list page at <https://www.atenity.com/public/supply>. The left sidebar has sections for PUBLIC (Supply, Demand, Goods, Services, Support) and PRIVATE (Supplv). The main area has a 'SUPPLY' heading and a 'Filters' sidebar with 'CATEGORY' (Goods, Services) and 'LOCATION' (Finland). The main table lists two items:

Headline	Published	Expires	Bid	Actor	Price
Asus ZenBook	1970-01-01	78d 10h	0	Organization	SEK 0,00
Volvo v90 hjul	1970-01-01	70d 10h	0	Individual	SEK 0,00

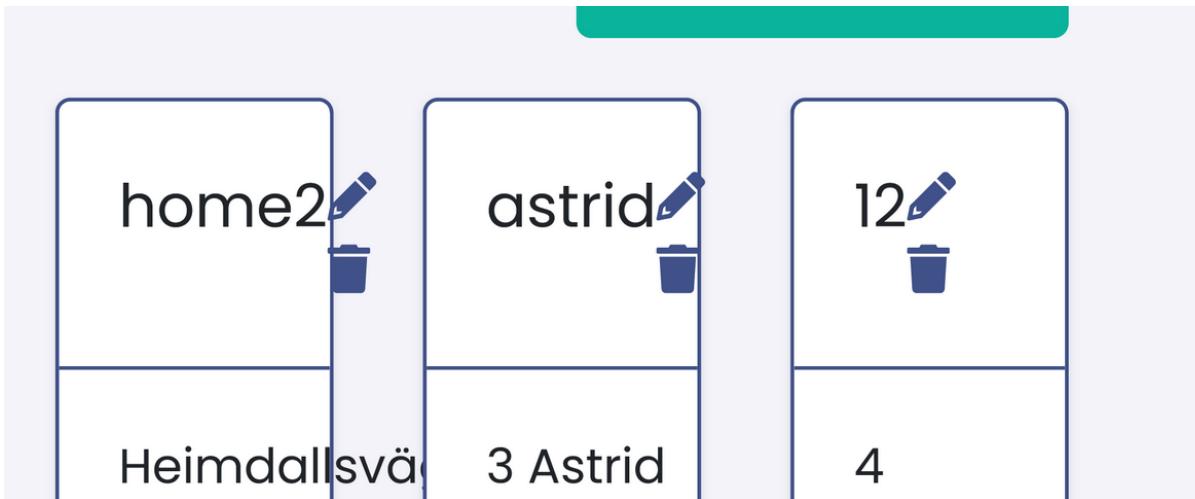

All displaying 1970.

24 Enable filter

Does not seem to work. Maybe should add a column in database for auction method?

The screenshot shows the Actor filter interface. It includes sections for 'ACTOR' (Individual, Organization) and 'METHOD' (Auction, Buy now). The 'METHOD' section is highlighted with a red box.

25 Location page does not fit well on small screen

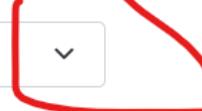

26 Correct dropdowns on register section

Default Select

Use `<select>` attribute with numerous options to show value with choice's option.

Select your Status

34 Activate search on goods, services and supply and demand objects

This search function is already completed, just activate it, and change design if necessary.

Like this:

The screenshot shows a web browser interface with the URL <https://www.atenity.com>. The page title is "ATENITY". The navigation menu includes Supply, Demand, Goods, Services, Rational, Actor, Support, About, Register, and Login. A search bar contains the text "Sök". Below the search bar is a dropdown menu with the query "Apple ipho". The dropdown list contains the following items:

- Apple iPhone 13 128GB
- Apple iPhone 13 Pro 5G Dual Sim 6GB RAM 128GB
- Apple iPhone 12 64GB
- Apple iPhone 13 Pro Max 128GB
- Apple iPhone 11 Dual Sim 4GB RAM 64GB
- Apple iPhone SE (2nd Generation) Dual Sim 3GB RAM 64GB
- Apple iPhone 12 Mini 64GB

Each item in the dropdown has a "Good" status indicator to its right. On the far right of the dropdown, there is a vertical toolbar with icons for "Supply" (highlighted), "Demand", "Goods", "Services", and "Delete".

Below the dropdown, there are two filter dropdowns: "Goods" (unchecked) and "Location" (unchecked). The location dropdown shows "Sweden" and "...". To the right of the filters, the text "Airpods 3rd generation" and "Helt ny design" is displayed.

35 Enable to filter on top level also

Enable “all services” as filter and so on.

37 Hide filter option

The screenshot shows the ATENITY platform interface. On the left, there's a sidebar with 'PUBLIC' and 'PRIVATE' sections. Under PUBLIC, there are links for Supply, Demand, Goods, Services, and Support. Under PRIVATE, it says 'Login to publish classifieds, place bids and receive asking prices.' and has a 'LOGIN' button. Under PRIVATE, there are also links for Supply, Demand, and Bid. The main area is titled 'SUPPLY' and contains a search bar with a filter dropdown icon (highlighted by a red box) and a search input field. Below the search bar is a table header with columns: Headline, Published, Expires, Bid, Actor, and Price. The table lists five items:

Headline	Published	Expires	Bid	Actor	Price
Asus ZenBook	1970-01-01	92d 9h	0	Organization	SEK 0,00
Volvo v90 hjul	1970-01-01	84d 9h	0	Individual	SEK 0,00
Blomlådor på hjul	1970-01-01	82d 9h	0	Individual	SEK 0,00
Fender Player Bass	1970-01-01	82d 9h	0	Individual	SEK 0,00
Area Sales Manager	1970-01-01	82d 9h	0	Individual	SEK 0,00

38 Subscription page

Make button normal size.

Update

Update

Remove edit subscription text and rename page label to it

🔒 🔍 <https://www.atenity.com/private/subscription/create?Id=7> 🇮🇪 ☆ 🔎 SöI

≡ Search...

SUBSCRIPTION

Edit Subscription

Change search category into the normal list as on create supply page. That is show list and enable search in list.

The screenshot shows a user interface for selecting a supply type. At the top, there is a radio button labeled 'Services' and another labeled 'Goods', with 'Goods' being selected. Below this is a dropdown menu titled 'Goods Category' containing the option 'electronics'. A red oval highlights this dropdown menu. At the bottom of the interface is a blue button labeled 'Laptops' with a small 'X' icon to its right.

39 Debug register page

When visiting register page as already registered user, one is left on login credentials with most data missing, should not be the case as the user is logged in.
